Mr. Sayers, bill to regulate the salary and fees of prosecuting attorneys.

Mr. Scott, bill to amend article 263 of the Criminal Code of 1871.

Mr. Simpson, petition asking that the Commissioner of the General Land Office be directed to issue certain certificates; also, bill to issue license to insurance agencies.

Mr. Stephens, bill to organize Coleman county; also, to define Brown District.

Mr. Storey, bill regulating appointment of officers of State institutions.

Mr. Swain, bill to reorganize the institutions for the education of the Deaf and Dumb; also, joint resolution proposing amendments to the constitution.

Mr. Triplett, a bill regulating the collection of tolls; also a bill to amend the charter of the Galveston and Sabine Railroad Company.

Mr. VonBiberstein, a bill to create a new county, and to amend the act of 1873 regulating taxation.

Mr. Walker, a memorial from citizens of Fayette county for public inspection of eggs. Referred to Committee on State Affairs, after a suggestion from Mr. Simpson to refer it to Committee on Lunatic Asylum. Galvin wished his district exempted.

Mr. Watts, a bill to amend article 674 of the Penal Code.

Mr. Wortham, a resolution that members shall forfeit their per diem when absent on private business; also a memorial of the Hoffman heirs.

Mr. Kemble, a bill for the relief of J. H. Cooper.

UNFINISHED BUSINESS.

Bill providing for common pasturage. Recommended; Senate bill allowing county courts to build and repair courthouses and jails, and to provide funds for the same. Recommended to a special committee consisting of Messrs. McLeary, Ramey, Sadler, Patrick and Watts. Bill to entitle county courts to provide manual labor for houses and farms. Postponed till Tuesday at eleven o'clock.

REPORTS OF COMMITTEE ON STATE AFFAIRS.

Bill regulating fire and marine insurance companies. Postponed till Thursday next.

The committee on bill authorizing counties to build courthouses etc., reported several corrections and the bill passed. Joint resolution appropriating one thousand dollars for a monument to General Houston. Referred to a joint committee.

The committee reported favorably on the bill designating legal holidays, and the report adopted. The bill designates as holidays the first of January, the twenty-second of February, Shrove Tuesday, the first of May, the fourth of July, the twenty-fifth of December, and election and thanksgiving days.

Mr. McLeary moved to amend the bill by adding to the list the second of March and twenty-first of April.

Mr. Simpson moved to add the thirty-first of July, or the anniversary of the battle of Bull Run.

Mr. Storey moved to strike out the enacting clause, as he feared that so many holidays would lead to litigation.

Mr. Moody defended the bill, on the ground that, as people will celebrate holidays, it is better to provide for them by law, so that parties should not suffer financially therefrom.

Mr. Storey's motion was lost.

Mr. McLeary's amendment was carried, and the bill was engrossed.

The Committee also reported joint resolution authorizing the Governor to settle with George W. Paschal. Amended in committee of the whole by deducting all legal offsets and credits due the State of Texas, and the resolution passed.

The Speaker appointed on the part of the House on the question of a monument to General Sam Houston, Von Biberstein, Manning, Watts, DeMorse and Rainey.
